### **SASEC Nodal Officials Meeting – ADB Annual Meeting 3 May 2014: Astana, Kazakhstan**

Nodal officials of SASEC member countries – Bangladesh, Bhutan, India, and Nepal – reviewed progress of SASEC projects whose total value has reached over \$5 billion. They also endorsed SASEC membership for the Maldives and Sri Lanka. The nodal officials reiterated their commitment to effective regional cooperation and highlighted the continued need to prioritize road, railway, grid connectivity, and trade facilitation projects, stressing the importance of wider connectivity especially for landlocked countries.

### **Second Meeting of the SASEC Customs Subgroup and Training on Customs Automation 22-23 May 2014: Kathmandu, Nepal**

The Second Meeting of the SASEC Customs Subgroup (SCS-2) held on 22-23 May 2014 in Kathmandu, Nepal, broadly endorsed the projects and initiatives of the SCS Work Plan 2014-2015. Subregional capacity building priorities were also identified in the meeting and a study on electronic exchange of trade-related information between and among SASEC countries was proposed. A knowledge sharing event on expertise and experience in ICT Applications for Customs followed on May 23.

### **The Maldives and Sri Lanka Join SASEC Program 3 May 2014: Astana, Kazakhstan**

Nodal officials of the founding SASEC member countries — Bangladesh, Bhutan, India, and Nepal — endorsed inclusion of the Maldives and Sri Lanka as new members at the SASEC Nodal Officials' Meeting 2014 in Astana on May 3. The move marks the first expansion of the SASEC program, which began in 2001 as a four-country regional cooperation and integration initiative focusing on the energy, transport, trade facilitation, and information and communications technology (ICT) sectors. SASEC has since implemented 30 regional projects worth more than \$5 billion.

Strategic Framework  
2014-2018](#)

### **SASEC Trade Facilitation Strategic Framework 2014–2018 Endorsed by Members 9 May 2014: Manila, Philippines**

SASEC countries Bangladesh, Bhutan, India, and Nepal have endorsed the SASEC Trade Facilitation Strategic Framework 2014–2018 (TF Strategy) for implementation. The TF Strategy supports the mission of the SASEC Transport and Trade Facilitation Strategy “to promote the prosperity of the subregion by facilitating the efficient movement of trade across the borders”.

### **\$762 Million for Road and 'Last-Mile' Connectivity in Northeastern India 12 May 2014: Manila, Philippines**

The Asian Development Bank (ADB) approved a multitranche financing facility of \$500 million for the SASEC Road Connectivity Investment Program (SRCIP) in March 2014, which aims to increase domestic and regional trade through North Bengal and Northeastern Region (NB-NER) of India. The overall investment program will rehabilitate and upgrade about 500 kilometers (km) of regional connectivity roads, including both national highways and state roads.

### **From 4 Strands to 6: New SASEC Logo Launched 12 May 2014: Manila, Philippines**

The new SASEC logo unveiled in May reflects the inclusion of the Maldives and Sri Lanka into the SASEC program. With six strands comprising colors from the flags of the six SASEC nations — blue for Nepal, green for Bangladesh, yellow for Bhutan, saffron for India, red for the Maldives, and maroon for Sri Lanka — the updated logo also represents the continuous commitment of the SASEC program to strengthen regional cooperation and integration in South Asia.
