Second WCO-ADB Joint Subregional Train-the-Trainer Workshop on Customs Valuation 21-24 Oct 2014: Male, The Maldives

This World Customs Organization-Asian Development Bank (WCO-ADB) Train-the-Trainer Workshop on Customs Valuation was held in follow-up to the first WCO-ADB Joint Subregional Workshop on Customs Valuation held in Colombo, Sri Lanka in February 2014. Both workshops were initiated under a joint subregional train-the-trainer multiyear assistance initiative on Customs valuation implemented by ADB and WCO Asia Pacific Regional Office for Capacity Building (ROCB A/P), and were designed to support participating countries' efforts to strengthen efficient management of Customs valuation control through the use of post clearance audit.

ADB Extends \$40 Million Loan to Indian Port Company 27 October 2014: New Delhi, India

The Asian Development Bank is extending \$40 million in loan to Ocean Sparkle Ltd (OSL), one of India's largest port operations and management companies, to expand and improve fleet services. This first private sector investment in India's ports sector will fuel efficiency, lower freight costs, hasten shipping, and expand maritime trade. The 2014-2016 project will help OSL purchase 10 tugboats used in Indian ports and neighboring South Asian markets along east-west shipping routes. It will also finance acquisition of two platform vessels and anchor handling tug supply vessels for future offshore oil and gas activities.

PM Hasina for Asia-Europe Connectivity **27 October 2014: Dhaka, Bangladesh**

Prime Minister of Bangladesh Sheikh Hasina addressed the Plenary Session of the 10th Asia-Europe Meeting Summit 2014 and called for a more favorable trade regime, stronger technical cooperation, and better Asia-Europe connectivity. The European Union is Bangladesh's largest export destination and Asia is Europe's main trading partner with about US\$2 trillion of Asia-Europe trade. With more than one-fourth of Europe's overseas investment going to Asia, Bangladesh seeks to create an enabling environment to further trade and investment.

US-Maldives: First Bilateral Trade Talks **20 October 2014: Male, The Maldives**

The Governments of the Maldives and the United States of America held their first bilateral discussion since signing the Trade and Investment Framework Agreement in 2009, to discuss engagement procedures, labor, intellectual property, and the investment climate. Minister of Economic Development Mr. Mohamed Saeed announced the Maldives' plan to lessen economic reliance on tourism, including changes to the investment climate through Special Economic Zones Act (SEZ). The SEZ aims for economic transformation and growth based on infrastructure investment across value-added sectors.

Fourth Session of UNESCAP's Transport Committee Focuses on Sustainable Development **15-17 October 2014: Bangkok, Thailand**

Integrating sustainable development into the Asia-Pacific region's transport sector was a key focus of the Fourth Session of the Transport Committee organized by the United Nations Economic and Social Commission for Asia and the Pacific (UNESCAP). The event, held on 15-17 October 2014 in Bangkok, Thailand, was attended by over 120 participants from 34 countries, and discussed key aspects of transport policy and initiatives promoted by ESCAP. In her opening remarks, Dr. Shamshad Akhtar, United Nations Under-Secretary-General and ESCAP Executive Secretary, highlighted that the 5-year Regional Action Program will focus on integrating sustainable development into the transport sector and enhancing regional connectivity.

Reconstruction of Pallai-Jaffna Rail Line Restores Connectivity to India, Sri Lanka **13 October 2014: Jaffna, Sri Lanka**

Sri Lankan President Mahinda Rajapaksa marked the completion of the 38 km long Pallai-Jaffna railway line under the Indian credit line of \$800 million last 13 October 2014. The reconstruction of this Northern Railway line by IRCON International Ltd, a public sector enterprise under the Government of India, links Sri Lanka's Northern Province to Colombo. This first train to Jaffna in 24 years is expected to enhance connectivity not only within the Northern Province but also between India and Sri Lanka.

Trade Facilitation Agreement Benefits Within Reach? 6 October 2014: Geneva, Switzerland

The Protocol of Amendment meant to be adopted by World Trade Organization (WTO) members in July aimed to bring the Trade Facilitation Agreement – a global deal to ease customs procedures and reduce red tape at the border – into WTO’s legal framework. However, India remains concerned on finding a permanent solution on food stockholding, while preserving the integrity of the Bali package concluded at WTO’s 9th ministerial meeting.

Growing Demand for Electricity among Rural Households in Bhutan 6 October 2014: Thimphu, Bhutan

The Royal Government of Bhutan's target to bring “Electricity for All” is picking up pace. The rural electrification project, which began in 2013 with the initial goal of bringing electricity to 40,257 households, had already connected 40,300 households to the national power grid by August 2014. In response to popular demand, the Government has now set a deadline for every home in Bhutan to receive electricity supply by end 2014.

Maldives - Ready for Special Economic Zones? 22 September 2014: Male, The Maldives

President Abdulla Yameen ratified the Special Economic Zones Act on 1 September 2014 to stimulate economic growth in Maldives and transform the economy through diversification, less stringent regulations, and tax concessions that would attract foreign investors into the country. This would make the economy less dependent on tourism and more open to infrastructure development.
