Promoting Trade in the BBIN Subregion Dialogue Discusses Need to Reduce Non-tariff Measures

2 April 2016: Dhaka, Bangladesh

A Metropolitan Chamber of Commerce and Industry (MCCI) dialogue on promoting trade in the Bangladesh-Bhutan-India-Nepal (BBIN) subregion has discussed intraregional trade in South Asia, which remains under 5% despite implementation of the South Asia Free Trade Agreement. According to MCCI, non-tariff measures manifested as non-tariff barriers and para-tariff barriers lead to high transaction costs in cross-border trade, keeping trade volume low.
