BORDERS WITHOUT BARRIERS

FACILITATING TRADE IN SASEC COUNTRIES

Borders without Barriers: Facilitating Trade in SASEC Countries

4 December 2019: Manila, Philippines

Borders without Barriers presents an analysis of the state of trade facilitation in member countries of the South Asia Subregional Economic Cooperation (SASEC) program. The book identifies trade facilitation priorities in SASEC countries: implementation of trade facilitation agreements and other conventions; logistics and infrastructure development and regulatory reforms; coordinated border management; and capacity development.

Conference on Safe Mobility and Regional Connectivity

20–22 January 2020: New Delhi, India

Safe mobility is an integral component in connectivity initiatives. In South Asia, road safety has emerged as a major challenge to transport connectivity. The Asian Development Bank (ADB), Ministry of Road Transport and Highways of the Government of India, and Asian Institute of Transport Development organized the Conference on Safe Mobility and Regional Connectivity on 20–22 January 2020 in New Delhi, India. The conference discussed the current status of connectivity and road safety in the SASEC subregion and came up with proposed areas to be included in a common plan of action to address road safety challenges.

ADB-NACIN Workshop on Customs Cooperation

17–18 December 2019: Faridabad, India

The National Academy of Customs, Indirect Taxes and Narcotics (NACIN) of the Government of India held a 2-day training program on customs cooperation at the NACIN training center in Faridabad. The workshop was held in collaboration with ADB. The training program discussed various aspects of customs cooperation, including World Customs Organization conventions and other international tools, their potential usage, and challenges in implementing Customs Mutual Assistance Agreements.

Akhaura-Agartala Railway Link to be Operational in 2020

15 January 2020: Agartala, India, and Dhaka, Bangladesh

Mr. Hasan Mahmud, Information Minister of Bangladesh, and Mr. Subrahmanyam Jaishankar, External Affairs Minister of India, underscored in a meeting that completion of the Akhaura (Bangladesh)-Agartala (India) railway link will increase cross border connectivity. The neighboring countries expressed the mutual view to finish this railway at the soonest possible time. People-to-people linkages, business, and tourism are set to benefit once the railway finishes.

Nepal Airport Development to Benefit the Region

29 December 2019: Colombo, Sri Lanka

Mr. Mukhtor Khamudkhanov, Country Director for ADB in Nepal, is hopeful that Sri Lanka could benefit from construction of the Gautam Buddha International Airport in Lumbini, Nepal. The airport will help promote religious tourism in Nepal. With similar places in Sri Lanka, the two countries could undertake collaborative promotional programs to reap the benefits of the airport for the subregion, recommended the Country Director.
