SASEC Holds Meetings on SPS-TBT Studies in Nepal, Bangladesh, Sri Lanka, and Bhutan
8 November 2017: Sri Lanka, Bangladesh, Nepal, and Bhutan

In 2013, South Asia Subregional Economic Cooperation (SASEC) member countries agreed to develop mutual cooperation processes in the diverse areas of standards and technical regulations to address various trade barriers. As a first step, SASEC member countries are preparing national diagnostic studies on sanitary-phytosanitary measures and technical barriers to trade (SPS-TBT). National Validation Meetings on SPS-TBT were held in Sri Lanka, Bangladesh, Nepal, and Bhutan as drafts of the final reports become available in the respective countries. Meetings are also scheduled to be held in Maldives and India.
